

## Key Stage 1 Maths Curriculum – Summer Term 2026

| <b>Week</b> | <b>Date</b> | <b>Topic</b>                                | <b>Learning Objective</b>  |
|-------------|-------------|---|--|
| 1           | 13 April    | Place Value to 100                          | Recognise tens and ones using numbers to 100.                                |
| 2           | 20 April    | Comparing Numbers                           | Compare numbers using $<$ , $>$ and $=$ .                                    |
| 3           | 27 April    | Number Sequences                            | Count forwards and backwards in 2s, 5s and 10s.                              |
| 4           | 4 May       | Addition Strategies                         | Use number lines and partitioning to add two numbers.                        |
| 5           | 11 May      | Subtraction Strategies                      | Subtract using counting back and number lines.                               |
| 6           | 18 May      | Problem Solving with Addition & Subtraction | Solve simple one-step word problems.   |
| —           | 25 May      | Half Term – No Lesson                       |  |
| 7           | 1 June      | Introduction to Multiplication              | Understand multiplication as repeated addition.                              |
| 8           | 8 June      | Sharing & Grouping                          | Understand division through sharing equally.                                 |
| 9           | 15 June     | Fractions                                   | Recognise and find $\frac{1}{2}$ and $\frac{1}{4}$ of shapes and quantities. |
| 10          | 22 June     | Measurement – Length & Height               | Measure and compare using cm   |

|    |         |                      |   |
|----|---------|----------------------|---|
|    |         |                      | and everyday language.                                  |
| 11 | 29 June | Measurement – Money  | Recognise coins and solve simple money problems.        |
| 12 | 6 July  | Measurement – Time   | Tell time to the hour and half past.                    |
| 13 | 13 July | 2D & 3D Shapes       | Identify and describe common shapes.                    |
| 14 | 20 July | Maths Games & Review | Apply learning through problem solving and maths games. |
